2023

Neves Group Property Management is partnering with Black Diamond Rentals

## Lawn Mowing Service Available!

We are offering a lawn mowing service to Neves Group residents at a discounted price.

For an average sized yard we can set up a weekly contract at \$35/week.

Larger yards, maintenance can come out and give you a price.

If you are out of town (or whatever) and just want one or two mows, the price will be \$37.50

To set up lawn service, email Aaron @ AaronC.BDR@gmail.com

The lawn service will not be billed through your tenant account, the billing will be separate.

We are also offering:

- spring clean ups
- bush trimming
- fence line clean up
- power washing
- light tree trimming

(Basically anything that your lease requires you to do we can help you with)

We are looking forward to making Champaign/Urbana more beautiful one yard at a time.
